## ARTivity Night in Headquarters Sai Ying Pun

The CreativeAdults ARTivity night fuels you up with a pre-weekend getaway to experience art and stimulate creativity. We partner with local charities as we give back to the community through art.

Our studio is your alternative chill-out space for a bonding time with your friends and connects people who share a common passion in art and design!

### The Loving Hands

As Mother's Day is just around the corner, join us for the CreativeAdults ARTivity this April and learn about the fundamentals in hand sketching, shading techniques, forms of a hand, hence refining your observation skills.
